Brake pad wear indicator, front and rear

Bumper system – front and rear

Replaceable deformation elements for impacts up to 9mph

Central locking switch for all doors, fuel filler cap and luggage compartment

Check Control warning system for monitoring of lights and door/luggage compartment open warning

Condition Based Service

BMW Service history

Electronic Service Booklet

Integrated Owner's Handbook

Crash sensor

activating central locking release, hazard warning lights, battery safety cut-off and interior lighting

Cruise control with braking function

Direction indicator lenses, LED

Direction indicator, side repeaters, integrated in exterior mirrors

Dynamic brake lights

Dynamic Stability Control+ (DSC+), comprising:

Anti-lock Braking System (ABS), including Brake Assist

Automatic Stability Control (ASC)

Brake drying

Braking pre-tensioning

Cornering Brake Control (CBC)

Dynamic Brake Control (DBC)

Dynamic Traction Control (DTC)

Electronic differential lock

Hill-start Assist

First Aid Kit and Warning Triangle

High-level third brake light

LED headlights, low and high beam

Follow-me-home function

LED eyebrow

LED daytime running lights

LED tail lights, with new 3D L-shaped LED light design

Lights-on warning, by audio warning signal when ignition is switched off

Park Distance Control (PDC), front and rear

Personal Profile

Automatic lock when driving away, selectable

Rain sensor with automatic headlight activation

Remote control, including integrated key – two

One button for opening and one button for closing all lockable contents, plus opening and closing all the windows

Separate button for opening the luggage compartment

Seat belt security check for driver

Servotronic

¹ = Manual deactivation of front passenger airbag possible

Side impact protection
Three-point seat belts, at all seats
 Belt force limiters – front
 Coded belt buckles – rear
 Pyrotechnic belt tensioners – front
